As the Madras Govt were not in favour of having any strict agreement in the matter of the sales being first held by either Govt in alternate years, it was decided that the suggestion need not be further pressed & that it may be made clear in the letter to the Resident that each Govt may arrange, after giving previous intimation to the other, for the sales of their timber, to the best possible advantage of the respective Depts. ~~after giving previous intimation~~

Letter No.537-I/26-13, dated the 3rd November 1926, from the Secretary to the Government of Madras, Development Department, to the Hon'ble the Resident in Mysore, Bangalore.

Revision of Rules for transit and sale of Wynaad Timber in Mysore.

With reference to your letter No.6033, dated the 13th July 1926, I am directed to inform you that this Government have no objection to accept the rules as finally agreed upon by the Chief Conservator of Forests of this Province and the Conservator of Forests, Mysore.

2. As regards the suggestion made by the Mysore Government that the Madras and Mysore Forest Departments should hold their sales first in each alternative year, I am to state that this Government are unable to accept the Mysore Government's suggestion as it would be difficult to give effect to it. It is understood that the general practice is for the Mysore Government to hold their auction in December or January, February or March, April or May and for the District Forest Officer, Wynaad, to hold sales when he happens to have a fairly large stock of timber on hand. This Government are of opinion that the existing practice may continue and that the interests of both the Governments will be amply safeguarded if the conditions in paragraph 3(2) of the rules now proposed are adhered to and if the District Forest Officer Mysore and Wynaad arrange that their sales do not clash.

3. I am therefore to request you to be so good as to ascertain whether the Mysore Government have any objection to withdraw their suggestion regarding the annual auction sales.
